Sausage Products are processed year round!

- Waterfowl processing is available year round.
- All waterfowl is inspected at the time of drop off and again before being processed. Please drop off all meat in food safe bags.
- Billable weight and take home weight will be different. Products are billed according to the weight after the beef or pork are added and before smoking. All smoked products are subject to weight loss.
- Vacuum packaging is included on all products for product quality and customer convenience.
